## Instrumental

### Verse 1

There's no deed that can redeem us  
There's no rite, no magic word  
Only by the work of Jesus  
Can salvation be secured

### Chorus

It is finished! He has done it!  
Let your weary heart rejoice  
Our redemption is accomplished  
Raise a shout with ragged voice  
And go bravely into battle  
Knowing he has won the war  
It is finished, lift your head  
And weep no more

### Verse 2

There's no sacrifice to offer  
There's no penance to complete  
Freely drink of living water  
Without money come and feast

### Chorus 2

It is finished! He has done it!  
Let your weary heart rejoice  
Our redemption is accomplished  
Raise a shout with ragged voice  
And go bravely into battle  
Knowing he has won the war  
It is finished, lift your head

### Bridge

Let every sin - ner re - joice  
Hear the dying victor's cry  
Raise up your voice  
Sing it out through earth and sky
